**Dear [Employer's Name],**

I am writing to express my interest in the Marine Biology Research Assistant position at [Company/Organization Name] as advertised [where you found the job listing]. With my academic background in marine biology and hands-on research experience, I am excited about the opportunity to contribute to your team.

During my time at [Your University], I gained extensive knowledge in marine ecosystems, including fieldwork experience collecting data on marine biodiversity. My recent internship at [Previous Internship/Job] allowed me to apply my skills in data analysis and ecological modeling, further enhancing my capability to support ongoing research projects.

I am particularly drawn to this position at [Company/Organization Name] because of [specific reason related to the company or projects they are involved in]. I am eager to bring my dedication and passion for marine conservation to your research team.

Thank you for considering my application. I look forward to the opportunity to discuss how my background, skills, and enthusiasm align with the goals of [Company/Organization Name].

Sincerely,

[Your Name]
