Hiring Manager  
XYZ Insurance Company  
456 Business Rd.  
City, State, Zip Code

Dear Hiring Manager,

I am writing to express my interest in the Graduate Actuarial Training Program at XYZ Insurance Company. As a recent graduate with a Bachelor's degree in Actuarial Science from ABC University, I have developed a strong foundation in statistical analysis and risk assessment, which I am eager to apply in a dynamic and challenging environment.

During my academic career, I have completed internships that have provided me with practical experience in actuarial modeling and data analysis. I possess excellent analytical skills, proficiency in statistical software, and a thorough understanding of the principles of actuarial practice. I am particularly drawn to XYZ Insurance Company's commitment to innovation and excellence in the industry.

I am excited about the opportunity to contribute to your team and to continue my professional development through your structured training program. I am confident that my dedication and enthusiasm will make a positive impact at XYZ Insurance Company.

Thank you for considering my application. I look forward to the opportunity to discuss my qualifications in more detail.

Sincerely,  
Jane Doe
