

Dear [Neighbor's Name],

As you prepare for this new chapter in your life, I find myself reflecting on the wonderful memories we've shared as neighbors. It's hard to believe that you won't be just a door away anymore.

I will always cherish our late-night chats over the fence, those impromptu barbecues in the backyard, and your help when I needed an extra hand with home projects. Your kindness and friendship have truly made our neighborhood special.

Although I will miss you dearly, I am excited for all the new adventures that await you in your new home. Please keep in touch--our friendship means the world to me.

Wishing you all the best as you move forward into this exciting new journey.

Warm regards,
[Your Name]
