

Dear [Classmate's Name],

As you prepare to embark on this new journey, I can't help but reflect on all the incredible memories we've shared together during our time in school.

From our late-night study sessions to the laughter-filled lunch breaks, each moment has been a treasure. I will always cherish our impromptu road trips, those spirited debates in class, and all the support we gave each other through tough times.

Your friendship has meant the world to me, and I am so grateful for the times we've shared. I have no doubt that you will excel in your new adventure and make even more amazing memories.

Please stay in touch, and remember that you always have a friend here. Wishing you all the best on this new chapter!

With warm regards,

[Your Name]
