

# Farewell Wishes

Dear Professors and Mentors,

As my semester abroad comes to an end, I wanted to take a moment to express my heartfelt gratitude for all the knowledge, support, and inspiration you have provided me during my time here.

Your guidance has greatly enriched my academic and personal growth, and I will carry the lessons learned with me as I move forward in my journey. Each of you has made a significant impact on my life, and I will always treasure the memories of our classes and discussions.

Thank you once again for everything. I hope to keep in touch and look forward to crossing paths in the future.

Warmest regards,
