

Dear [Buddy's Name],

As I sit down to write this letter, my heart feels heavy knowing that our time together is coming to an end. You have been more than just a friend to me; you have been a confidant, a partner in crime, and my biggest support. The memories we've created will forever be etched in my heart.

From our endless laughter to the deep conversations under the stars, every moment spent with you has been a treasure. I can't imagine facing the future without your presence in my life. The thought of distance between us is something that brings tears to my eyes, but I take solace in the bond we share, knowing that true friendship can withstand time and miles.

As you embark on this new chapter in your life, know that I am cheering for you every step of the way. I will carry you in my heart and will cherish our memories until we meet again. Please remember that you are never alone, and I will always be just a phone call away.

Goodbyes are never easy, but this is not the end. It's simply "see you later." Take care of yourself, my dear friend, and keep shining your light wherever you go.

With all my love,

[Your Name]
