

Dear [Friend's Name],

As I sit down to write this letter, my heart is heavy with the thought of saying goodbye. It feels surreal that our time together is coming to an end, and I find it hard to express just how much your friendship means to me.

From our countless adventures to the quiet moments we shared, every memory we created is etched in my heart. You have been more than a friend; you have been a confidant, a source of support, and a ray of joy in my life. I will forever cherish our laughter, our deep conversations, and the way we understood each other without needing words.

Though distance may separate us, I want you to know that our friendship will never fade. I am so excited for your new journey and all the wonderful opportunities that await you. Always remember that you have a friend who believes in you, no matter the miles between us.

Please keep in touch. I look forward to hearing about all your adventures and achievements. Remember, this is not a goodbye, but a 'see you later.'

With all my love and warm wishes,

[Your Name]
