

Farewell Poem for Retirement Club

Dear Members,

As the sun sets on our cherished days,

We gather to share in heartfelt praise.

For friendships forged, and laughter shared,

Your presence here showed you cared.

Each moment spent, a treasure divine,

In the tapestry of life, you'll always shine.

As we part ways, remember this truth,

The bonds we've formed hold eternal youth.

So here's to dreams and the paths we'll take,

In hearts we'll keep the memories we make.

With gratitude deep, we bid you adieu,

Farewell, dear friends, we'll always love you.

Warm wishes,
Your Retirement Club
