

Dear Scouts,

As I prepare to say goodbye, I cannot help but reflect on the wonderful memories we have created together in our scouting journey. From camping trips to community service, each moment has been a treasure that I will carry with me always.

I am grateful for the friendships we have built and the life skills we have learned side by side. Your support and camaraderie have meant the world to me, and I will always cherish the adventures we shared.

Though I am moving on to new opportunities, I will hold you all close in my heart. Remember to continue living by the Scout Law and carrying the spirit of scouting wherever you go.

Wishing you all the best in your future endeavors. Let's keep in touch!

With warm regards,
[Your Name]
