Dear [Knitting Club Leader's Name],

I hope this message finds you well. I am writing to formally resign from my membership in the [Knitting Club Name], effective [Last Day of Membership]. This decision was not easy to make as I have thoroughly enjoyed my time with the club and the wonderful community of knitters.

Unfortunately, due to [brief reason, e.g., personal commitments, relocation], I am unable to continue participating as I would like. I appreciate all the support and camaraderie I have experienced and will cherish the memories made during my time here.

Thank you for your understanding. I wish the club continued success and hope to stay in touch with everyone.

Sincerely,

[Your Name]
