Subject: Feedback on Contract Review

Dear [Stakeholder's Name],

Thank you for your participation in the recent contract review process. After a thorough evaluation, I have compiled some feedback and observations that I believe will enhance our agreement.

## Key Feedback Points:

1. **Clarity of Terms:** The definitions section could be expanded to provide more context.
2. **Liability Clauses:** Consider revising the liability limits to reflect current industry standards.
3. **Termination Conditions:** The conditions for early termination need further elaboration to avoid ambiguity.

Please review the points above and provide your thoughts by [Insert Response Deadline]. Your input is invaluable as we move forward.

Thank you for your attention to this matter. I look forward to your feedback.

Best regards,
