

Interdisciplinary Collaboration Research Aim Outline

Date: [Insert Date]

To: [Recipient's Name]

[Recipient's Position]

[Recipient's Institution]

Dear [Recipient's Name],

I hope this message finds you well. I am writing to propose an interdisciplinary collaboration for our upcoming research project titled "[Project Title]." Below is an outline of the research aims we hope to achieve through this collaboration:

Research Aim Outline

1. **Aim 1:** [Description of the first research aim]
2. **Aim 2:** [Description of the second research aim]
3. **Aim 3:** [Description of the third research aim]
4. **Aim 4:** [Description of the fourth research aim]

We believe that by combining our expertise in [Your Field] and [Recipient's Field], we can make significant contributions to [Brief Description of the Overall Goal or Problem Addressed].

I would be happy to discuss this proposal further and explore how we could align our efforts. Please let me know your availability for a meeting in the coming weeks.

Thank you for considering this opportunity for collaboration.

Sincerely,

[Your Name]

[Your Position]

[Your Institution]
