

Dear Residents,

As part of our ongoing commitment to ensure the safety and security of our community, we would like to share some important security awareness tips:

1. Lock Your Doors and Windows

Always ensure that your doors and windows are locked when you leave your home or go to bed.

2. Be Aware of Your Surroundings

Stay alert and aware of your surroundings when walking, especially at night.

3. Report Suspicious Activity

If you notice any unusual activity in or around the neighborhood, please report it to local authorities immediately.

4. Use Inside Lighting

Install timers on your indoor lights to give the impression that someone is home.

5. Secure Valuables

Keep your valuables out of sight, especially in parked cars and near windows.

Thank you for your attention to these important matters. Together, we can create a safer community for everyone!

Sincerely,
Your Community Security Team
