Subject: Introduction to Cybersecurity Risk Assessment

Dear [Recipient's Name],

As we continue to navigate the increasing complexities of our digital landscape, it is essential that we proactively assess and manage cybersecurity risks. This letter serves as an introduction to our upcoming Cybersecurity Risk Assessment which aims to identify, analyze, and prioritize potential vulnerabilities within our organization.

The objectives of this assessment include:

- Identifying critical assets that require protection
- Evaluating potential threats and vulnerabilities
- Assessing the impact and likelihood of various risk scenarios
- Recommending appropriate mitigation strategies

We will be conducting this assessment over the next [time frame]. Your cooperation and support are vital to its success, and we appreciate your attention to this critical initiative.

Thank you for your commitment to enhancing our organization's cybersecurity posture. Please feel free to reach out with any questions or concerns.

Best regards,
