

Introduction Letter to Participants

Dear Participant,

We are writing to invite you to participate in a psychology study titled "Understanding Human Behavior." The purpose of this research is to explore various factors that influence decision-making processes.

Your participation is entirely voluntary, and you have the right to withdraw at any time without any consequences. The study will involve a survey that takes approximately 30 minutes to complete.

We assure you that all responses will be kept confidential and will only be used for research purposes. Should you have any questions or concerns, please feel free to contact us at research@example.com.

Thank you for considering participating in this important study. We appreciate your time and contribution to advancing psychological research.

Sincerely,

The Research Team
