Subject: Proposal for Expanded Employee Rewards Program

Dear [Recipient Name],

I am writing to propose an expansion of our current employee rewards program to better recognize and motivate our dedicated team members.

As you know, employee recognition plays a crucial role in maintaining morale and productivity. I believe that by enhancing our rewards program, we can achieve the following:

- Increase employee satisfaction and retention.
- Encourage higher performance levels.
- Create a stronger team culture.

Considering these benefits, I suggest the following initiatives:

1. Implementing a peer-to-peer recognition program.
2. Introducing milestone awards for years of service.
3. Expanding our bonus structure to include performance-based incentives.

These changes will contribute positively to our workplace environment and drive our goals forward.

I welcome the opportunity to discuss this proposal further and explore the potential benefits it may bring to our employees and overall productivity.

Thank you for considering this proposal.

Sincerely,
