Dear [Recipient's Name],

I am writing to formally appeal the decision regarding my application for overseas employment authorization for seasonal work. It has come to my attention that my application was denied due to [state reason if known].

I believe my situation merits reconsideration because [insert reasoning, such as experience, need for seasonal workers in the area, personal circumstances, etc.]. I have previously worked in [related field] and have developed skills that are beneficial to the position for which I am applying.

In light of this background, I respectfully request that you review my application again and consider the potential contributions I can make to [employer's name or organization's name] during the seasonal work period.

Thank you for your attention to this matter, and I hope to hear back from you soon regarding my appeal.

Sincerely,

[Your Name]
