Dear [Manager's Name],

I am writing to formally resign from my position at [Company Name], effective [Last Working Day]. This decision has not come lightly, but I feel compelled to take this step due to several ethical concerns that I can no longer overlook.

Over the past [duration of employment], I have witnessed certain practices within the workplace that contradict my personal and professional ethics. [Briefly describe specific issues, e.g., lack of transparency, unfair treatment of employees, compromising values for profit]. These practices have made it increasingly difficult for me to align my values with the company's actions.

I am grateful for the opportunities and experiences I have had while working here, but integrity and ethics are fundamental to me, and I cannot in good conscience continue in an environment that does not uphold these values.

Thank you for your understanding. I wish you and the team the best moving forward.

Sincerely,

[Your Name]
