Dear [Insert Name],

I hope this message finds you well. As we navigate the complexities of our divorce proceedings, I would like to propose a comprehensive settlement that I believe addresses our mutual interests and provides a fair resolution for both parties.

Assets Division

- 1. Real Estate:** The marital home located at [Insert Address] shall be sold, with proceeds divided equally.
- 2. Bank Accounts:** Joint accounts shall be liquidated and half of the balance transferred to each party.
- 3. Retirement Accounts:** A Qualified Domestic Relations Order (QDRO) will be established to divide retirement assets equitably.

Child Custody and Support

- 1. Custody Arrangement:** Joint custody with the children residing primarily with [Insert Name], and visitation rights for [Insert Name].
- 2. Child Support:** [Insert Name] agrees to pay \$[Insert Amount] per month in child support.

Spousal Support

[Insert Name] will provide spousal support of \$[Insert Amount] per month for a duration of [Insert Time Frame].

I believe this proposal is a fair reflection of our mutual contributions and responsibilities. I look forward to discussing this settlement further and working towards a resolution that is satisfactory for both of us.

Thank you for considering this proposal.

Best regards,
