Dear [Recipient Name],

I am writing to formally express my concern regarding systemic discrimination issues that have been prevalent within [Company/Organization Name]. As an employee and a member of [specific group or community], I have observed a pattern of unfair treatment that not only affects individuals but undermines the integrity of our workplace.

Specifically, I want to highlight the following issues:

- [Issue 1: Describe the first instance of discrimination with specific details]
- [Issue 2: Describe the second instance of discrimination with specific details]
- [Issue 3: Describe the third instance of discrimination with specific details]

These examples reflect a broader issue of systemic discrimination that appears to be ingrained in [Company/Organization Name]'s practices. I believe the impact of such an environment is detrimental not only to those affected but also to the overall morale and productivity of our team.
