Dear [Recipient's Name],

I am writing to formally address my concerns regarding systemic unethical behavior observed within [specify organization or department]. Despite multiple attempts to resolve these issues informally, it has become clear that the practices in question not only affect individuals but also undermine the integrity and ethical standards of the organization as a whole.

The specific instances of unethical behavior include:

I urge you to take immediate action to investigate these matters thoroughly and implement appropriate measures to address the systemic issues identified. I am willing to provide further details and cooperate fully in any investigation.

Thank you for your attention to this critical matter. I look forward to your prompt response.

Sincerely,
