Dear [Recipient Name],

I am writing to formally express my objection regarding the use of inadequate machinery in our recent project, [Project Name/Description]. Despite previous discussions and assurances, the current equipment does not meet the necessary standards required for optimal performance and safety.

The specific issues observed include [list specific issues with machinery], which have resulted in [explain consequences such as delays, safety risks, etc.]. This situation not only hinders our project timeline but also poses potential risks to our team and the quality of work expected.

I respectfully request an immediate review and action to replace or upgrade the machinery to ensure compliance with required standards. I believe doing so will facilitate a smoother project execution and maintain our commitment to excellence.

Thank you for your attention to this matter. I look forward to your prompt response and a resolution to this issue.

Sincerely,

[Your Name]
