Dear [Manager's Name],

I am writing to formally express my concerns regarding the hygiene standards at [Restaurant's Name] which I visited on [Date]. During my experience, I noticed several alarming issues that raised concerns about food safety and cleanliness.

Specifically, I observed the following:

- Dirty tables and seating areas.
- Restroom facilities that were left unclean and unkempt.
- Staff members who did not appear to be following basic hygiene practices.
- Food items that were left uncovered and exposed to contaminants.

These conditions not only undermine the quality of service but also pose a significant risk to public health. As a patron, I believe it is essential that restaurants maintain high standards of hygiene to ensure the safety and satisfaction of their customers.

I hope you take this matter seriously and address these issues immediately. I look forward to your prompt response and positive changes in your establishment.

Thank you for your attention to this important matter.

Sincerely,

[Your Name]
