Dear [Recipient Name],

I am writing to formally express my concerns regarding the inadequate data consent procedures currently in place at [Company/Organization Name].

It has come to my attention that the methods used to obtain consent from users for data collection and processing do not comply with best practices and legal standards. Specifically, I have observed the following issues:

- Lack of clear information on what data is being collected.
- Failure to provide users with an opt-out option.
- Inadequate transparency regarding data sharing with third parties.

These shortcomings not only undermine user trust but also pose significant risks in terms of compliance with data protection regulations. I urge [Company/Organization Name] to take immediate action to rectify these issues and enhance its data consent procedures.

I would appreciate a prompt response detailing the steps that will be taken to address this matter.

Sincerely,

[Your Name]
