Dear [Recipient's Name],

I am writing to formally express my concerns regarding the non-transparent pricing practices I have encountered within your healthcare services. As a patient trying to manage my healthcare expenses effectively, I find the lack of clear pricing information to be both frustrating and concerning.

During my recent experience with [specific service or treatment], I was unable to obtain a clear understanding of the costs involved, which left me unable to make informed decisions about my healthcare options. This lack of transparency not only affects my ability to budget for necessary services but also undermines my trust in your institution.

I urge you to consider implementing clearer pricing policies and providing adequate information to patients upfront. Access to transparent pricing is crucial for patients' financial and emotional well-being, and it can greatly enhance the overall patient experience.

Thank you for your attention to this important matter. I look forward to your prompt response and hope to see improvements in your pricing practices.

Sincerely,

[Your Name]
