Dear [Recipient Name],

I am writing to formally express my objection to the dishonest sales practices I encountered while engaging with your company on [insert date(s)]. It has come to my attention that the information provided regarding [specific product/service] was misleading and not representative of the actual benefits or costs associated with it.

As a consumer, I believe it is imperative that sales practices are conducted with integrity and transparency. Unfortunately, my experience has led me to question the ethical standards upheld by your organization.

I request that you take this matter seriously and provide a response outlining how you intend to address this situation and prevent similar occurrences in the future. Failure to do so may prompt further action on my part, including reporting this matter to relevant consumer protection authorities.

Thank you for your attention to this serious issue. I look forward to your prompt response.

Sincerely,

[Your Name]
