

Request for Donation to Celebrate My Birthday

Dear [Donor's Name],

I hope this message finds you well. As my birthday approaches on [Date], I have decided to celebrate it in a meaningful way by supporting [Charity's Name], an organization that is very dear to my heart.

This year, instead of receiving gifts, I am asking my friends and family to consider making a donation to [Charity's Name]. Your generous contribution will help make a significant impact on [describe what the charity does or supports].

Every little bit counts, and your support can help us reach our goal of [insert fundraising goal] by [insert deadline]. You can make a donation online at [insert donation link] or send a check to [insert mailing address].

Thank you for considering this request. Your kindness will not only make my birthday special but also help those in need.

Warm regards,
[Your Name]
