Dear [Recipient's Name],

We, [Your Organization's Name], are writing to formally request an exemption from the environmental tax due to our significant efforts in reducing pollution through our major projects. Our organization has implemented a series of initiatives that have resulted in a substantial decrease in harmful emissions and align with the state's environmental goals.

Our key projects include:

- Project A: [Brief Description and Results]
- Project B: [Brief Description and Results]
- Project C: [Brief Description and Results]

These projects have collectively reduced our carbon footprint by [insert percentage] and have been recognized by [insert relevant authorities or organizations] for their innovative approach to pollution reduction.

We believe that granting us an environmental tax exemption will not only support our ongoing initiatives but will also encourage further investments in sustainable practices that benefit our community and the environment.

Thank you for considering our request. We would appreciate the opportunity to discuss this matter further and provide any additional documentation required.

Sincerely,
