

Partnership Proposal for Park Restoration Fundraising

Dear [School Name] Administration,

We hope this message finds you well. We are writing to propose a collaborative partnership between [Your Organization Name] and [School Name] for an exciting initiative focused on restoring our local parks.

The [Name of Park] has been a cherished space in our community, serving as a venue for recreation, education, and gatherings. Unfortunately, it has fallen into disrepair and needs urgent attention. Our organization has embarked on a fundraising campaign to support restoration efforts, and we believe that involving students, staff, and the wider school community will not only enhance the outcome but also instill a sense of stewardship among the youth.

We would like to invite your school to participate in this meaningful initiative through:

- Fundraising events, such as bake sales or sponsored walks.
- Volunteering opportunities for students to assist in the restoration work.
- Educational programs about environmental stewardship and community engagement.

With your support, we can make a significant impact on the restoration of [Name of Park] and foster a spirit of community involvement among students. We would love to discuss this partnership further at your convenience and explore how we can work together for this noble cause.

Thank you for considering this opportunity. We look forward to your positive response.

Sincerely,

[Your Name]
