To [Grant Provider Name],

I am writing to propose a funding opportunity for our Clean Water Initiative at [Your Organization]. Access to clean and safe drinking water is a basic human right, yet millions of individuals still lack this essential resource. Our initiative aims to address this pressing issue by implementing sustainable water purification technologies in underserved communities.

Through our project, we plan to [briefly outline project goals, such as installing filtration systems, conducting educational workshops, etc.]. We believe that with your support, we can significantly impact the lives of [number of people impacted] in the [specific region/community].

The total cost of the project is [total amount], and we are seeking [amount you are requesting] from [Grant Provider Name]. A detailed budget and project timeline are attached for your consideration.

Thank you for considering our proposal. We believe that together we can make a substantial difference in combating the water crisis. I look forward to the opportunity to discuss this initiative further.

Sincerely,
