Dear [Recipient's Name],

I am writing to you on behalf of [Your Organization], dedicated to promoting environmental sustainability through essential afforestation projects. We are committed to enhancing local ecosystems and combating climate change by planting trees in [specific areas or communities].

Currently, we are seeking funding to support our upcoming initiative, [Project Name], which aims to plant [number] trees over [time period]. This project will not only improve air quality but also provide habitat for local wildlife and engage community members in environmental stewardship.

We believe that with your support, we can significantly expand our impact and reach. We are requesting a grant of [specific amount] to cover costs associated with [briefly outline what the funds will support]. Enclosed you will find a detailed project proposal and budget for your review.

We would be grateful for the opportunity to discuss this proposal further and explore potential collaboration. Thank you for considering our request for funding to help transform our local environment through afforestation.

Sincerely,
