Dear [Recipient Name],

I am writing to seek your support for our upcoming Mental Health Awareness Campaign, aimed at raising awareness and promoting resources for mental health care in our community. Mental health issues affect one in four people, and it is imperative that we address them with educational programs, workshops, and outreach efforts.

To successfully implement our campaign, we are seeking funding in the amount of [specific amount]. This funding will allow us to create impactful materials, host community events, and provide resources to those in need.

We believe that your organization shares our vision of a society where mental health is prioritized and destigmatized. Together, we can make a significant difference.

Thank you for considering our request. We would be thrilled to discuss this proposal further and explore ways we can collaborate. Please feel free to reach out at [your phone number] or [your email].

Sincerely,
