Dear [Recipient Name],

I am writing to formally request funding to enhance interpersonal skills for myself and my peers through a series of workshops and training sessions. As we navigate increasingly collaborative environments, the ability to communicate effectively and build relationships is paramount to our success.

The funds will be allocated towards professional facilitators, materials, and venue costs, ensuring that we provide comprehensive training that caters to diverse learning styles. Our project aims to develop skills such as active listening, conflict resolution, and emotional intelligence.

I believe that by enhancing our interpersonal skills, we will not only improve our productivity but also foster a more inclusive and supportive community.

I appreciate your consideration of this request. I am happy to provide any additional information needed to support my application.

Thank you for your time and attention.

Sincerely,
