Dear [Lender's Name or Loan Servicing Department],

I hope this message finds you well. I am writing to formally request a deferment of my student loan payments due to my current unemployment status. My account number is [Your Account Number].

As of [insert date you became unemployed], I have been unable to secure employment, which has significantly affected my financial situation. I have actively applied for jobs and am committed to finding work as soon as possible. However, until I am employed, I am unable to make my loan payments.

In accordance with the deferment policy, I am kindly requesting that my payments be deferred until I am able to regain employment. Attached are the relevant documents supporting my current situation, including [e.g., termination letter, unemployment benefits, job applications].

I appreciate your consideration of my request during this challenging time. Please let me know if you require any additional information. I look forward to your prompt response.

Thank you for your understanding.

Sincerely,

[Your Full Name]
