Dear [Lender's Name],

I am writing to formally request a deferment on my student loan payments due to my current internship position which requires my full attention and limits my financial capacity.

I am currently enrolled at [Your University/College] and I have secured an internship with [Company Name], which will provide me with valuable experience in my field of study. However, the position is unpaid and requires a substantial time commitment of [insert hours] per week, making it challenging for me to manage my existing loan payments.

As I aspire to enhance my skills and employability through this internship, I kindly ask for your understanding and support in granting me a deferment for my student loans during this period.

Thank you for considering my request. I look forward to your prompt response.

Sincerely,

[Your Name]
