Dear [Recipient's Name],

I hope this letter finds you well. I am currently reviewing educational finance concepts and have a few questions regarding specific terms that I would like to clarify:

1. What is the difference between **direct and indirect financial aid**?
2. Could you explain the term **cost of attendance** and what it includes?
3. What is **federal work-study**, and how does it operate?
4. Can you provide insights into the concept of **loan deferment** and when it is applicable?
5. How does **financial literacy** impact students' ability to manage educational expenses?

Thank you for your attention to these questions. I look forward to your responses.

Sincerely,
