

Economic Espionage Risk Assessment Report

Date: [Insert Date]

To: [Management/Recipient's Name & Title]

From: [Your Name & Title]

1. Introduction

This report outlines the potential risks of economic espionage within our organization, focusing on vulnerabilities and proposed mitigation strategies.

2. Assessment Overview

The assessment was conducted by evaluating current practices, employee awareness, and existing safeguards. Key findings indicate several areas requiring immediate attention.

3. Key Findings

- **Information Leakage:** Identify departments prone to unintentional disclosures.
- **Insider Threats:** Evaluate employee access to sensitive data.
- **External Threats:** Review partnerships and vendor relationships.

4. Risk Level Assessment

Based on the findings, the overall risk level is categorized as follows:

- High
- Medium
- Low

5. Recommendations

1. Enhance employee training on data protection.
2. Implement stronger access controls.
3. Regularly review and audit partnerships.

6. Conclusion

Addressing these risks is vital for protecting the organization against economic espionage. Management's commitment to implementing the recommended strategies will be crucial.

7. Next Steps

We propose a follow-up meeting to discuss this assessment in detail and to outline an action plan.
