Dear [Insert Name],

We are reaching out to propose a partnership between [Your Wellness Retreat Center Name] and [Charity Name]. Our mission is to promote holistic wellness and personal development through our retreat programs, and we believe that aligning our efforts with your organization will significantly enhance our impact on the community.

We propose the following collaborative initiatives:

- Host wellness workshops and retreats that support the objectives of [Charity Name].
- Offer scholarships for participants from underserved communities to attend our retreats.
- Donating a percentage of our retreat fees to [Charity Name] for each booking made in partnership.

We believe that our combined efforts can foster a healthier community and provide meaningful support to those in need. We would love to discuss this proposal further and explore how we can work together to achieve our shared goals.

Thank you for considering this opportunity for collaboration. We look forward to your response to discuss this proposal in detail.
