Dear [Recipient Name],

I am writing to propose a partnership between [Your Organization] and [Recipient Organization] to launch a collaborative water purification project aimed at providing clean drinking water to underserved communities.

As you are aware, access to clean water is a critical issue affecting millions globally. Our organization has successfully implemented various water purification initiatives, and we believe that by combining our resources and expertise, we can make a significant impact.

We propose to co-develop a project that includes the following components:

- Site assessment and community engagement
- Design and implementation of water purification systems
- Monitoring and evaluation of project outcomes
- Community education and training programs

We are keen to discuss this idea further and explore how we can work together to achieve our common goals. Please let us know your availability for a meeting or a call in the coming weeks.

Thank you for considering this partnership opportunity. I look forward to your response.

Sincerely,

[Your Name]
