Dear [Local Authority Name],

I am writing to formally express my concern regarding the excessive noise resulting from the ongoing construction activities at [Construction Site Address]. The construction has been creating significant disturbances, particularly during early morning hours and late evenings.

Despite my understanding that construction may lead to some noise, the volume and duration of the activity have become increasingly disruptive to my daily life. I would appreciate it if you could investigate this matter and ensure that the construction site adheres to the local noise ordinances.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,

[Your Name]
