Subject: Dispute of Utility Bill Due to Service Interruption

Dear [Customer Service Manager's Name],

I am writing to formally dispute my most recent utility bill dated [Bill Date] for my account number [Account Number], due to a service interruption that occurred on [Date of Interruption].

During this period, I was without service for [duration of interruption], causing significant inconvenience and additional costs on my part. According to your policies, customers are entitled to compensation for service interruptions exceeding [insert duration], and I would like to request a review of my situation for possible reimbursement.

Please find attached any relevant documentation supporting my claim, including prior correspondence and records of the service interruption.

I would appreciate your prompt attention to this matter and a response by [date for response] regarding the status of my compensation request.

Thank you for your attention to this issue.

Sincerely,

[Your Name]
