

Science Fair Project Display Requirements

Dear [Student/Participant Name],

We are excited to have you participate in the upcoming Science Fair! To help you prepare, please find the display requirements outlined below:

Display Board Guidelines

- The display board should be no larger than 36 inches wide and 48 inches tall.
- Use a tri-fold presentation board for visibility and organization.
- Include a title that clearly indicates your project topic.
- Provide sections for Introduction, Hypothesis, Method, Results, and Conclusion.

Materials

- All materials used for your display must be sturdy and securely attached.
- Visual aids such as charts, graphs, and photographs are encouraged.
- Use clear labels and captions to enhance understanding.

Safety Requirements

- No hazardous materials or chemicals should be included in your display.
- Live experiments or biological materials must be approved by the fair committee.

Submission Details

Please arrive at the school gymnasium by [Date] at [Time] to set up your display. The fair will open to the public at [Time].

If you have any questions, please feel free to reach out at [Contact Information]. We look forward to your innovative projects!

Sincerely,

[Your Name]

[Your Position]
