

# Call for Papers

Dear Researchers and Academics,

We are pleased to announce the **2023 International Ecology Conference**, which will take place on **June 15-17, 2023**, in **San Francisco, CA**. We invite you to submit your research papers, case studies, and posters related to various aspects of ecology.

Topics of interest include, but are not limited to:

- Conservation and Biodiversity
- Climate Change Impact on Ecosystems
- Sustainable Practices and Policies
- Restoration Ecology
- Community Ecology and Human Interaction

Submission Guidelines:

1. Papers should be no longer than **3000 words**.
2. All submissions must be in **PDF format**.
3. Use the **Conference Paper Template** available on our website.

Please submit your papers by **March 15, 2023**. Notifications of acceptance will be sent out by **April 15, 2023**.

We look forward to your contributions and to a stimulating exchange of ideas at the conference.

Sincerely,

**Conference Organizing Committee**
