

Health Screening Results

Date: [Insert Date]

To: [Patient's Name]

Address: [Patient's Address]

Dear [Patient's Name],

We are pleased to provide you with the results of your recent health screening conducted on [Insert Screening Date]. Below are the results:

Test	Result	Normal Range
Blood Pressure	[Result]	[Normal Range]
Cholesterol Level	[Result]	[Normal Range]
Blood Sugar Level	[Result]	[Normal Range]

Action Plan

Based on your results, we recommend the following actions:

- [Action Item 1: E.g., Regular exercise for at least 30 minutes a day]
- [Action Item 2: E.g., Schedule a follow-up appointment with your physician]
- [Action Item 3: E.g., Dietary changes: Increase fruit and vegetable intake]

Next Steps

Please schedule an appointment with us or your healthcare provider to discuss these results in detail and develop a personalized health plan moving forward.

Thank you for prioritizing your health.

Sincerely,

[Your Clinic/Practice Name]
