Dear [Recipient Name],

We are pleased to submit our proposal for the establishment of a Strategic Integrated Care Service aimed at enhancing patient outcomes and streamlining healthcare delivery within our community. Our approach focuses on collaborative practices that integrate primary, secondary, and social care services.

## Executive Summary

The objective of our proposal is to develop a comprehensive care model that addresses the complex needs of patients, fosters collaboration among healthcare providers, and improves resource allocation. We anticipate that the implementation of our proposed services will result in a 20% reduction in hospital readmissions and improved patient satisfaction scores within the first year.

## Proposed Services

- Coordinated Care Programs
- Chronic Disease Management
- Telehealth Services
- Patient and Family Support Services

## Implementation Plan

We propose a phased approach to implement the integrated care service over the next 12 months, including assessments, stakeholder engagement, and continuous evaluation processes to ensure alignment with community needs.

## Budget Overview

An estimated budget of [insert amount] is required to launch this initiative, covering staffing, technology, and operational costs.

## **Conclusion**

We believe that our Strategic Integrated Care Service has the potential to transform healthcare delivery in our region. We welcome the opportunity to discuss this proposal further and explore the collaborative possibilities ahead.

Thank you for considering our proposal.

Sincerely,
