

Dear Valued Visitors,

As part of our commitment to ensuring the safety and well-being of our patients and staff, we have updated our visitor protocols in the Emergency Rooms. Please review the following guidelines:

Revised Visitor Protocols:

- Only one visitor per patient is allowed in the Emergency Room.
- All visitors must wear a mask at all times while in the facility.
- Visitors must undergo a health screening upon entry, including temperature checks.
- Children under the age of 12 are not permitted to visit.
- Visiting hours are from 10:00 AM to 8:00 PM.

We appreciate your understanding and cooperation in helping us provide a safe environment for all. If you have any questions or concerns, please do not hesitate to reach out.

Thank you for your continued support.

Sincerely,

Your Healthcare Team
