

Letter of Recommendation

Date: [Insert Date]

To Whom It May Concern,

I am writing to recommend several improvements to enhance wheelchair accessibility at [Location/Organization Name]. As an advocate for inclusivity, I believe that making these changes will significantly benefit our community.

- Installation of wheelchair ramps at all entrances
- Widening doorways to accommodate all mobility devices
- Improvement of bathroom facilities to include accessible stalls
- Signage clearly marking accessible routes and features
- Regular maintenance of existing accessibility features

Implementing these recommendations will ensure that [Location/Organization Name] is a welcoming space for all individuals, regardless of their mobility needs.

Thank you for considering these improvements.

Sincerely,

[Your Name]
