Subject: Survey Results on Wheelchair Accessibility

Dear [Recipient Name],

We are pleased to share the results of our recent survey conducted on wheelchair accessibility within our facilities. The survey was aimed at gathering feedback from individuals using wheelchairs to understand their experiences and identify areas for improvement.

Key Findings:

- **Accessibility of Entrances:** 75% of respondents rated the accessibility of our entrances as satisfactory.
- **Restroom Facilities:** 60% indicated difficulties when using restroom facilities.
- **Navigation within Facilities:** 70% felt that navigation within the building was user-friendly.
- **Overall Satisfaction:** 80% stated they would recommend our facilities to others based on accessibility.

Recommendations:

Based on the feedback received, we recommend the following actions:

1. Upgrade restroom facilities to ensure compliance with accessibility standards.
2. Improve signage for better navigation throughout the building.
3. Conduct regular assessments to ensure ongoing accessibility improvements.

We are committed to enhancing accessibility and appreciate your input. Please feel free to reach out if you have any questions regarding this survey or the proposed actions.

Thank you for your attention.

Sincerely,

[Your Name]
