Dear [Student Name],

As you embark on your college journey, managing your finances effectively is essential. One key aspect of your overall budgeting should include understanding and planning for utility expenses. Below is a guide to help you with your utility budget planning:

Utility Budget Planning Template

Utility Type	Estimated Monthly Cost	Actual Monthly Cost
Electricity	[\$[Insert Estimate]]	[\$[Insert Actual]]
Water	[\$[Insert Estimate]]	[\$[Insert Actual]]
Gas	[\$[Insert Estimate]]	[\$[Insert Actual]]
Internet	[\$[Insert Estimate]]	[\$[Insert Actual]]
Trash Service	[\$[Insert Estimate]]	[\$[Insert Actual]]

Remember to track your spending throughout the semester and adjust your budget as necessary. Aim to minimize utility costs by being mindful of your usage.

If you have any questions or need further assistance with your financial planning, please do not hesitate to reach out to the Office of Student Financial Services.

Sincerely,
