Dear [Lender's Name],

I hope this message finds you well. I am considering the option of debt consolidation loans and I have a few questions that I would appreciate your assistance with:

1. What are the eligibility requirements for obtaining a debt consolidation loan?
2. What types of debt can be consolidated through your loan options?
3. What interest rates do you offer for debt consolidation loans?
4. Are there any fees associated with the loan application or processing?
5. What is the typical loan term for your debt consolidation loans?
6. Can you provide information on any penalties for early repayment?
7. How does the application process work and how long does it typically take?
8. Are there any programs or services you offer to help with financial management during the loan period?

Thank you for your attention to my inquiries. I look forward to your prompt response.

Sincerely,
